

# Declaration of Conformity

We believe it is important for you to clearly understand what to expect when using a connected product. To ensure transparency and compliance with the EU Data Act, we have summarized the key information about the data generated, stored, and processed by your device. This includes the types and formats of data, storage options and durations, as well as how you can access, manage, or delete your data.

## **Applicable Products**

This information applies to the following connected product models:

Product Name: IP Camera, Doorbell, Floodlight Camera, Spotcam.

Trade Name: Foscam,

Model: R2M, R4M, G4P, G2EP, FI9912EP, G4EP, C2M, FI9902P, FI9912P, FI9926P, FI9936P, FI9928P, D2EP, SD2X, D4Z, VD1, F41, S41, G4C, X3, X4, X5, SD4, V4EC, V5EP, V8EP, T5EP, W5EP, B4, BP4, V5P, T5EP, T8EP, C5M, SD4H, V8P, SD8EP, SD8P, R8M, PD5, PD8, D8T, D8ET, BP4, L8M, LD8EP, B8K

Product Name: Battery camera Kit, NVR, NVR Kit

Trade Name: Foscam

Model: E1, FN7104W-B4, FN7108W-B4, FN8108HE, FN8108H, FN9108H, FN9108HE, FN9108E, FN9108E-B4, FN9108E-T4, FNA108H, FNA108HE, FNA108E, FNA108E-B4, FNA108E-T4, FN8108W-B4, FNA216HE, FNA216H, FN9108W-B4

### **a) Type, format and estimated volume of product data generated by the connected product**

- Audio/Video Recordings: Proprietary Foscam file format, downloadable via App as MP4 files.
- Images: JPG format.
- Local Storage (TF card in camera / Hard disk in NVR): Volume depends on card capacity and recording duration.
- Cloud Storage(Camera): Volume depends on the user's cloud service plan, covering alarm event recordings, alarm snapshot images, and 24/7 continuous cloud recording.

### **b) Continuous and real-time data generation capability**

The connected product is capable of continuous and real-time recording, subject to configuration by the user via VMS or mobile App.

### **c) Data storage on device or remote server, including storage period**

- Local Storage (TF card in camera / Hard disk in NVR):
  - Audio/video recordings, images.
  - Storage period depends on TF card/Hard disk capacity and recording type. Users may choose whether recordings overwrite old data once the card is full.
- Cloud platform(Camera):
  - Audio/video recordings, images.

- Storage period depends on the cloud plan purchased by the user.

**d) User access, retrieval, and deletion of data; technical means; terms of use and service quality**

- Local Storage (TF card in camera / Hard disk in NVR):
  - Users can format the TF card/Hard disk via App or VMS to delete all data.
- Cloud platform(Camera):
  - Users can access and manage recordings through the App/VMS.
- Terms of Use and Quality of Service:
  - Users are required to read and agree to the Foscam Privacy Policy before using the App.

This declaration is a general statement for all Foscam products. If you need detailed information for each model, pls consult our sales representatives.

Issued place and date: Shenzhen, September 11, 2025
